RWT50KL

(4600Dia x 3440H, 3290 Inlet H)

\$8,690

The **50,000L 'Mega Tank'** (11,000 gallons) is the largest poly water tank in our range. Manufactured in one piece, it has no joins, seams or part lines and does not require an internal support pole. All our water tanks are UV stabilised and available in a range of 17 colours.

50,000L Mega Tank VS 2 x 22,500L Tanks

- Save Space
- Gain Litres
- Save Installation Time
- Save Set-Up Costs
- Better Pressure Levels

Diesel Tanks

Diverse, safe diesel tank solutions tailored to harsh Australian farming conditions.

MAINTENANCE FREE

Do not rust or require repainting, reducing ongoing maintenance costs.

GET BACK TO IT

Time-saving features like plug & play installation make these tanks user-friendly and convenient.

SAFETY ALWAYS

Designed & manufactured to Australian Standards AS1940:2017, ensuring safe storage.

Diesel Transfer Tanks

Use on a trailer, on the back of a flat bed or fixed in one location on site.

DMP1200-S (1200L) (1500L x 1190W x 1060H)	\$4,070
DMP2000-S (2000L) (2280L x 1280W x 1130H)	\$5,400
DMP3000-S (3000L) (2280L x 1540W x 1360H)	\$6,535

DMP1200-S

Trailer Packages

Designed for mobility, each trailer features a heavy-duty tool box, and road-registered design.

DMPFT1200-S (1200L) (Trailer 3615L x 1815W x 1570H)	\$18,650
DMPFT2000-S (2000L) (Trailer 4410L x 1970W x 1650H)	\$21,650

DMPFT1200-S

Self Bunded Diesel Tanks

Reliable, safer and easy-to-use diesel storage & dispensing.

DMDS10000E-240V (10KL) (2480Dia x 2350H)	\$18,990
---	-----------------

Diesel Tanks + Dispenser

Ideal for onsite storage. Efficient & straightforward integrated dispenser.

DSW5000+DK-240V (5KL) (1800Dia x 2200H)	\$9,600
DSW10000+DK-240V (10KL) (2480Dia x 2350H)	\$11,250

DSW5000+DK-240V
*12V options available

Quantum Series Self-Bunded Diesel Tank

The **Quantum Series** is Polymaster's ultimate self-bunded diesel tank, delivering full compliance, maximum safety, and complete fuel accountability for large commercial and fleet operations.

- Piusi MCBBox fuel management system (up to 120 users)
- Tracks who takes fuel, when, and how much
- High-flow pump with digital metering
- Integrated safety systems including alarms and emergency stop
- 10 m retractable hose reel for fast, efficient refuelling

DMDS5000Q-240V (5KL) (2200Dia x 2260H)	\$25,850
DMDS10000Q-240V (10KL) (2,500Dia x 2,710H)	\$28,800

DMDS1000Q-240V

Compact Diesel Ute Packs

Designed & manufactured to safely store & dispense diesel, these tanks are lightweight, strong & made to withstand the harsh treatment they endure.

DMP200E (200L) (1000L x 750W x 605H)	\$1,675
DMPQ400E (400L) (930L x 1200W x 685H)	\$2,190
DMP400E (400L) (1620L x 750W x 665H)	\$2,190
DMP600E (600L) (1720 x 890W x 755H)	\$2,515
DMP800E (800L) (1720L x 890W x 925H)	\$2,870

Farm Equipment

Durable, easy-clean troughs and farming equipment for all livestock, ensuring minimal water wastage.

TAKES A BEATING

Combine long-lasting UV-resistant polyethylene with practicality, enduring harsh Aussie conditions and resisting rust.

SMART DESIGN

Light simplistic designs allow for easy installation, protection from damage and minimal upkeep.

LESS REFILLING

Minimise wastage where it's critical, helping you maintain sustainability on your farm.

**BONUS
BROOM**

Sweep Trough Double Deal

Buy any 2 Sweep Troughs and get a bonus Sweep Trough Broom

Either **STB250** or **STB450**

Sweep Troughs

Ease of cleaning with smooth sweep out ends.

SWP250 (250L)	\$1,050
SWP450 (450L)	\$1,225

Master Tub Troughs

Suitable for all types of livestock and farm sizes.

MT2 (200L)	\$450
MT6 (600L)	\$730
MT12 (1200L)	\$1,120

Round Water Troughs

Very strong, robust design with drainage bung.

PT12W (250L)	\$290
PT10W (500L)	\$375
PT11W (1000L)	\$575
PT13W (2000L)	\$935

Supa Troughs

Raised float cover allows the trough to fully fill while protecting the valve.

SPT5 (250L)	\$570
SPT9 (450L)	\$750

Liquid Fertiliser Storage - Self Draining

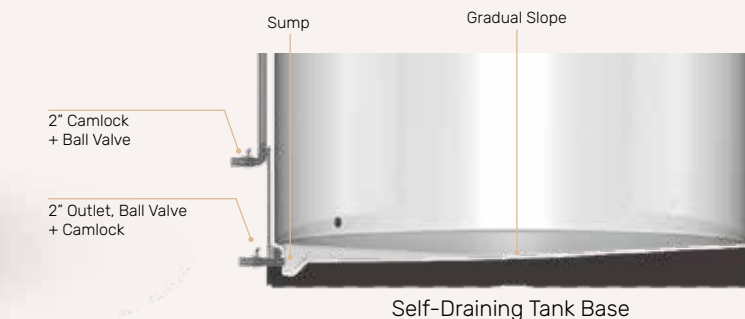

*Free freight does not apply for this product

By completely emptying, no valuable liquid fertiliser is wasted. Allowing complete washdown between seasons or mixes.

LFTSDT23000 (23,000L) (3450Dia x 3054H)	\$18,150
LFTSDT28000 (28,000L) (3450Dia x 3601H)	\$19,500
LFTSDT33000 (33,000L) (3450Dia x 4149H)	\$20,800

Key Features

- Completely self-draining tank base (100% drainage)
- To suit liquids up to 1.5SG
- Top fill kit – 2" (50mm) SS camlock with ball valve
- Sight tube level indicator
- 2" (50mm) SS outlet with ball valve + camlock

Liquid Fertiliser Tanks

Heavy duty construction to suit liquids up to 1.5SG

LFT22500 (22500L) (3560Dia x 2800H)	\$7,050
LFT31700 (31700L) (4100Dia x 3040H)	\$9,800
LFT50KL (50KL) (4600Dia x 3440H)	\$14,995

Key Features

- Heavy duty construction to suit liquids up to 1.5SG
- Level indicator as standard
- Optional top fill kit
- Inspection cover
- Standard with 50mm Outlet, Ball Valve and Camlock

Septic Tanks & Pump Stations

ST3100

Septic Tanks

Ultra-strong, pre-plumbed, low-profile tanks.
AS/NZS1546.1 certified

ST3100 (3100L) (2470L x 1640W x 1700H)	\$2,875
ST4550 (4550L) (3520L x 1640W x 1700H)	\$4,075

Pump Stations

Pre-assembled + fittings.
Available for black/grey water.

PS700-SWR

PS700-STM (700L) (1090Dia x 1650H)	\$2,925
PS700-SWR (700L) (1090Dia x 1650H)	\$3,800
PS1000-STM (1000L) (1092Dia x 2030H)	\$3,950
PS1000-SWR (1000L) (1092Dia x 2030H)	\$4,850
PS1300-STM (1300L) (1094Dia x 2420H)	\$4,200
PS1300-SWR (1300L) (1094Dia x 2420H)	\$5,125

Free Delivery (Within Zone 1)

Polymaster offers free delivery to site across Southern QLD and Northern NSW for tanks exceeding 13,000L (within zone 1). Please refer to our free delivery zone map on [polymaster.com.au/delivery](https://www.polymaster.com.au/delivery). All tanks less than 13,000L are delivered free to store (within zone 1). A delivery fee will be incurred to deliver these tanks to site.
